

NATURALII

natural and organic skin nutrition by Lifeplus

Our philosophy

Inspired by nature, we've combined our unique nutritional and skincare expertise to create delicious, nourishing and gentle formulations that are as pure as nature intended.

Naturalii is more than just skincare. It's a natural, organic, cruelty-free and environmentally-friendly skin and hair care brand you can trust.

Our inspiration

Crafted by different wonders in the Mediterranean, all products in our Naturalii range are inspired by the region's enriching and soothing natural produce.

From zesty, fragrant Valencian oranges to energising green tea extracts and luxurious avocado and thyme oils, each and every one of our products uses the finest ingredients, blended together in perfect harmony to soothe, nourish and refresh tired and dry skin.

Avocado

We care about nature. Our ethos is to always strive to use sustainably-sourced, natural ingredients. Our skincare range represents everything we care for.

Aloe vera

Rosehip

With our unique natural and organic formulations you can be sure that our products are free of harmful materials such as palm oil, micro-beads, micro-plastics and much more.

Natural and nourishing

Naturalii's all-embracing skin and hair care range includes everything you need from your head-to-toe beauty regime.

Our nourishing and natural products are packed full of organic ingredients to leave you looking and feeling revitalised and refreshed.
